### To Registrants For Military Service:

All registrants for military service in Chaves County will receive in a few days, if they have not already done so, a copy of a pamphlet called a Questionnaire, containing sixteen pages of questions. There will also be designated to each registrant a time at which he is to present the questionnaire to the Local Board at Roswell. The registrant should not undertake to write on the pamphlet, but he should read it over carefully before presenting it to the Board. He should then present the questionnaire to the Board in the Federal Building at Roswell at the time designated and the local counsel and the Board will assist him to fill it out. These instructions are important. Please give them proper attention.

Be sure to have at hand when you report, all the data necessary to answer questions, especially when exemptions are to be claimed.—J. M. Harvey, J. C. Gilbert, Tomlinson Fort, Legal Advisory Board.
